

Hastoe Community Grants Fund application

Our Community Grants Fund offers up to £250 to help deliver community-based projects that will benefit Hastoe residents and their local communities.

We particularly welcome applications from projects that will support Hastoe's commitment to sustainability and the environment, such as helping to protect wildlife, preserve green spaces or encouraging young people to learn more about the environment.

Please note, the Community Grant only supports activities in your wider community and does not provide funding for improvements to our estates or gardens – if you would like to make an improvement to our estates or gardens please report it as a repair.

The grants are open to applications throughout the year and are awarded at Hastoe's discretion, subject to availability of funds.

Our grants are paid via by BACS. If you are successful in your application, we will contact you for your bank details.

Please email your completed form to hmrussell@hastoe.com or post to: Helen Russell, Hastoe Housing Association, Marina House, 17 Marina Place, Hampton Wick, Kingston upon Thames, KT1 4BH.
